

*A new way to raise money for schools that
doesn't cost you anything!*

We are using the online business community to help fund school activities – with NO ADDITIONAL COST to the buyer.

Here's how it works –

- When you want to buy something online, go first to www.HelpSchools.net
- Pick your school – or add it to our list
- Click on your store
- Buy what you want

It's that simple!

HelpSchools.net will receive a small portion of your purchase price, and we will donate the majority of what we receive to the school of your choice.

We have over a thousand businesses where you can shop via HelpSchools.net. Here are just a few of our participating stores:

Amazon	Flower.com	Kohl's	SmugMug, Inc.
Apple iTunes	Fye.com	Office Depot	Shutterfly
Best Buy	Half.com	OfficeMax	Target
eBay	Hotwire	Priceline	Vonage
Famous Footwear	Kmart	Sears	WalMart

If you don't see your favorite here, check our list of stores online; it may be there, and you'll be surprised at the number and variety of business listed!
